

Biofluid Data and Specimens Available

Data or biospecimen	Description	Source	Data or biospecimen available
Cerebrospinal fluid (CSF)			
CSF dates of collection	Months since baseline visit for collection of CSF	NIH, JHU	All
CSF data - analyzed by BIOCARD investigators	Values for α beta, tau, p-tau	NIH, JHU	All
CSF biospecimen	CSF biospecimen	NIH, JHU	By special request
Blood			
Blood dates of collection	Months since baseline visit for collection of blood	NIH, JHU	Not yet available
CSF data - analyzed by BIOCARD investigators	Values for α beta, tau, p-tau, GFAP, NfL, YKL40, sTREM2		All
Blood biospecimen	Blood biospecimen	NIH, JHU	By special request
Blood lab test data	Cortisol, creatinine, glucose, triglycerides, etc.	NIH	Not yet available
Immortalized Cell Lines	Cell lines developed from blood collected at JHU	JHU	By special request
